## Welcome

### HELP REQUIRED!

We are always in need of helpers to assist on show day. Whether you are interested in handling the cats, writing certificates, processing results or marking rosettes, there is a job for all abilities. Please let us know if you would be available to help.

### Online Entries

We should be able to take online entries within the next few days, so please watch out for announcements on the GCCF website, which will link to the online entry system once it is available.

### Best of Variety & Best in Show

- As usual, we will be having Best of Variety and Best in Show competitions in both shows.
- Best of Variety Adult, Kitten and Neuter in each section will be chosen from the Best of Breed winners.
- Overall Best of Variety will then be chosen from the Best Adult, Best Kitten and Best Neuter in each section.
- Overall Best in Show will be chosen from the Overall Best of Varieties in each show.

### ‘Scotland’s Best’

- We will be having a ‘Best-of-the-Best’ competition again this year, to decide on ‘Scotland’s Best’. Since this is Scotland’s only double show, we will again be including for consideration all Overall Best in Show winners from GCCF shows in Scotland over the past year: West of Scotland Cat Club and Scottish Cat Club (07/01/17), Shorthair Cat Club of Scotland (15/04/17), Nor’Esat of Scotland Cat Club and Siamese Cat Society of Scotland (13/05/17), Scotia Cat Fanciers (15/07/17), Scottish Rex Cat Club (05/08/17), Edinburgh & East of Scotland Cat Club and Caledonian Long Haired Cat Club (14/10/17). By special request, we will also be including the winners from the Russian & Abyssinian Cat Club of Scotland (25/03/17).
- Any of these cats entered in the show will be judged against the Overall Best in Show winners from this year’s shows to decide on a ‘Scotland’s Best’ Pedigree and ‘Scotland’s Best Household Pet’.
- Please tick the check box on your entry form if one of your entries is eligible for competition.
- Both the Pedigree and Household Pet winners of this competition will be awarded a £25 voucher for Crystal Clear Pet Products (to be redeemed on the day).

### General Information

There is ample free parking at the venue, for which access is all on one level. If you require any assistance bringing your cats into the venue, please let us know and we will try to arrange for someone to help you.

Please note that some satnavs may have the wrong location for the venue’s postcode, so please check that you are being taken to the correct location and, if in doubt, use the street address: O’Donnell Way, Motherwell. A detailed map showing the location of the venue is provided on the back of the schedule.

### Vetting In

As in recent years, the vetting-in entrance will be through the end of the building by the car park, not through the main entrance. This is to ensure as short a walk as possible for people carrying cats.

# SHOW RULES AND REGULATIONS

#### GENERAL GUIDELINES FOR ENTERING SHOW

Read the GCCF Rules first, available from the Kings Castle Business Park, The Drove, Bridgewater, Somerset TA6 4AG, or the Show Managers, Price £2.50 . Ask for advice if you are unsure about anything.

Print your entry form clearly

Complete your form from the GCCF Registration document, NOT from your pedigree.

Remember that errors may result in the withdrawal of certificates or prizes by the GCCF. If you see an error in your cat's description in the catalogue, tell the Show Manager immediately.

Details on what to expect from the GCCF in case of such errors are available from the GCCF or the Show Manager.

Remember that registration or transfer forms must have been received by the GCCF offices not less than 21 days before the Show.

If you have not received your registration/transfer document from the GCCF when you send your entry, put in the information you know is correct and RAF or TAF (Registration or Transfer Applied For) in the GCCF registration number box and send the full details once received to the Show Managers IMMEDIATELY

Remember that all registered owners must sign an entry form, and that forms from owners who are children will need an adult's signature. Note that the exhibitor is the registered owner of the cat and not necessarily the person who actually takes the cat to the Show.

The breeder of a cat is always the registered owner of the Dam on the date of the cat's birth.

If you neuter your Cat or Kitten after sending your entry PLEASE TELL US.

Cats registered on the Reference Register may not be shown in competition.

Exhibitors of Household pets should enter details known to them. Vaccination and health rules apply but registration numbers will not be available and may be ignored

#### Veterinary Clearance Certificates

Exhibitors whose cats have been rejected at Shows please note the following points:

1. PLEASE DO NOT LEAVE THE VETTING IN AREA / SHOW HALL WITHOUT COLLECTING THE APPROPRIATE PAPERWORK (OFFICIAL REJECTION FORMS) FROM THE DUTY VETERINARY SURGEON. THIS WILL SAVE YOU A GREAT DEAL OF EFFORT LATER. IF YOU ARE IN ANY DOUBT ABOUT THIS PLEASE CONSULT THE SHOW MANAGER
2. When sending your Vet's Clearance Certificate to the GCCF Offices, please include your copy of the rejection form referred to in 1. above.
3. Please DO NOT send these certificates by special delivery post as it can cause delay in the receipt of your GCCF Clearance documents
4. Exhibitors should not attend Shows until they have received a letter from the GCCF office accepting and confirming clearance. It is recommended that this letter be taken to Shows within a month following its issue.

Please note that any person whose cats have been rejected under Sections C or D must not officiate as a judge or steward or in any capacity which requires the handling of cats at shows until a clearance certificate, as required by the GCCF, has been obtained.
